

7th March 2019

Dear Parents, Guardians and Carers,

We are increasingly worried about the safety of our students leaving the school site at the end of the day because of the volume of cars in the vicinity.

Can I please ask that if you are picking up students after school you do not park immediately outside school but instead park some distance away, whilst being mindful to our neighbours and the community. This will allow our students and the school buses to leave the site safely.

Could I also please remind you that our car park is exceptionally busy at the end of the day as it is the collection point for the school buses and the main exit route for students with bikes. Please could you avoid driving on to our car park where possible as this adds to the congestion and potential risk to students.

Thanks very much in anticipation of your support with this,

Yours faithfully,

A handwritten signature in black ink that reads "Liz Wood". The signature is written in a cursive style with a horizontal line underneath the name.
